Character In Grocery Merchandising

On the character of the individual, company or corporation depends the quality of the merchandise which is produced and the service given. It is impossible to produce the highest quality in anything without character back of the effort.

During our business life of over fifty years it has been our constant purpose to sell character in merchandise as well as in service. As a consumer this means much to you.

¶ Those words tell the story of beauty in design, quality of workmanship, and excellence of materials which combine to make Richardson Furniture a lasting pleasure to own as an adornment to the home.

¶ For one room, or the whole house, Richardson's is ready to show you new ideals of beauty and new conceptions of economy.

CARD ETIQUETTE

The significance of a card is always considered by well-bred men and women, and its fitness to the occasion is an expression of its owner's individuality; in fact, the card is the beginning and the end of etiquette—the introduction and the farewell.

A written name should never be used unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If she is the eldest unmarried daughter she is appended as Miss Smith, otherwise her full name is given with the prefix of Miss.

When two daughters enter society together it is proper for them to be mentioned upon their mother's card together, thus.

Mrs. James Smith
The Misses Smith

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your city can be sent either by mail or messenger as preferred.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family should enclose her visitor's card with her own, in the same envelope.

When cards of introduction are given, the name of the bearer should be written above that of the giver, prefixed by the word "Introducing", and the card placed in an envelope addressed to the person to whom the introduction is made.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an "At Home" card.

A visiting card should always be left when attending an "At Home."

Any invitation requesting your presence requires an answer.

CARD ETIQUETTE FOR CHURCH WEDDINGS

Cards to a church or home wedding, followed by a reception, need no written answer if the recipient proposes to attend, unless bearing the letters R. S. V. P.

When attendance at a church wedding is impossible, cards must be sent the day of the marriage directed to those from whom the invitation comes.

If present at the church it is polite to send a card or cards to those who invite.

CARD ETIQUETTE IN WASHINGTON

Questions are asked concerning the requirements that the official element demands in Washington, and some knowledge of the etiquette of that city is necessary.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President.

Any invitation extended by the President is equivalent to a command.

There was a question as to who should pay the first visit, the Cabinet officer or the Senator.

Many yield this point to the Senate. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

The wives of the United States Senators will hereafter call upon the wives of Foreign AMBASSADORS, while the wives of Foreign MINISTERS will make the first call upon the wives of Senators.

In all society, official or otherwise, the clergy take a signal position, and should always be accorded the place of honor, when present.

CARDS FOR BALLS

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions of course require exceptional cards; for such there can be no fixed rules.

WHEN TO DROP THE JR.

When a father dies leaving a son of the same name the son should omit the Jr. from his visiting card. To be correct his wife should do likewise, but as confusion sometimes arises because of the mother and wife having the same name the wife often prefers to keep the Jr.

INFANTS' CARDS

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with the parents' card, to which it is daintily ribboned.

A visit of acknowledgment is usual. If not possible a card is sent, with "Congratulations" written upon the upper left hand corner.

PUBLIC CARRIAGE FARES IN BOSTON

Motor Taxicabs—The maximum prices or rates of fare which drivers of hackney carriages propelled by mechanical motors and using taximeters as the means of measuring the distance traveled, to be known as "Motor Taxicabs," may charge and demand for services rendered in conveying passengers as follows:

From point to point within the city limits:

First half mile or fraction thereof, for one person	40c
Each quarter mile thereafter	10c
Each additional person for the whole journey	20c

Waiting time shall include all time during which the vehicle is not in motion, beginning nine minutes after its arrival at the place to which it has been called, or, if engaged in the street or at a stand, beginning nine minutes after the time of such engagement. A charge of 10 cents for each three minutes may be made. But no charge shall be made for time lost through interruption of street traffic or through the inefficiency of the vehicle or its driver, or for time between premature arrival in response to a call and the hour for which the vehicle was ordered.

No charge shall be made for a distance less than one mile traversed by a vehicle sent in response to a call, but for a greater distance a charge of 20 cents a mile may be made for each mile or fraction of a mile in excess of the first mile.

When a vehicle is dismissed at a point more than two miles distant from the place at which it was engaged, or from the place in which it was when called, a charge of 20 cents a mile may be made for each mile or fraction of a mile in excess of such two miles.

Baggage—Hand baggage may be carried by passengers without charge. The carriage of trunks shall be optional with the person in charge of the vehicle, but if carried the charge shall be 25 cents for each trunk.

Ferry tolls will be paid by passengers.

By the Hour—When a motor taxicab is hired by the hour or for a trip wholly or in part outside the limits of the city of Boston, the person in charge may suspend, with the consent of the passen6er, the use of the taximeter as a means of determining the price to be paid, and the motor taxicab shall come temporarily under the provisions of that part of this rule which relate to charges for automobiles.

Automobiles—The authorized fare for automobiles other than motor taxicabs shall be the same as for horse-drawn hackney carriages. This rule shall not be deemed to apply, however, to automobiles when hired by the hour or for a trip wholly or in part outside the limits of the City of Boston. This rule shall apply to automobiles hired at a garage as well as to those hired in the public streets. The rule as to baggage for motor taxicabs shall apply also to automobiles.

Horse Drawn—For one passenger from one point to another within the city proper, 50 cents. For one passenger from one point to another within Charlestown, within East Boston, within South Boston, within Roxbury, 50 cents. Each additional passenger, 50 cents. For distances beyond certain limits the rates are $1.00 and upwards.

For a complete statement of the rates for public carriages the inquirer is referred to the condensed schedule in the Boston Directory.

Special Charges—From twelve at night to six in the morning fare is 50 CENTS ABOVE THE PRECEDING RATES for each passenger.

Children under five years, with an adult, no charge.

Children between five and twelve years old, with an adult, HALF-PRICE.

No charge for one trunk; each additional trunk, 25 CENTS.

By the Hour—Passengers may at all times engage horse drawn hackney carriages by the hour. The rates of fare for one, two, three or four passengers shall be as follows: For the first hour or fractional part thereof not more than $1.50; and for each twenty minutes or fractional part thereof after the first hour not more than 50 cents.

The time shall be so reckoned as to include the time necessarily consumed between leaving and returning to the place from which the carriage was hired whether during any portion of such time it has been empty or otherwise.

Explanation of Above Plan of Addressing Letters.

In addition to your Postal Station Name, the Postal Station number should be added. Thus, if you live in the Back Bay Postal Station, your number is 17. If in Dorchester Centre your number is 24, etc.

It will still be necessary under this plan to retain your present address, adding only the postal number after the name of the city, town or postal unit as follows:

John Doe, 316 Huntington av., Boston 17, Mass. or
John Doe, 316 Huntington av., Back Bay 17, Mass.
John Doe, 800 Massachusetts av., Cambridge 39, Mass.

These delivery units do not conform with ward lines, or corporate limits of cities and towns. If in doubt as to your unit ask your carrier.

All Stations are Post Offices, except in name, and all are Money Order Offices

In addition to the above Stations, there are about one hundred and ninety numbered Stations for receiving registry matter and for domestic money-order business

Storm Warnings—A red flag with a black centre indicates that a storm of marked violence is expected.

The pennant displayed with the flags indicates the direction of the wind; red. easterly (from northeast to south); white, westerly (from southwest to north).

The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light indicates easterly winds, and a white light below a red light, westerly winds.

Hurricane Warning—Consists of two red flags with black centres, displayed one above the other. It is used to announce the expected approach of tropical hurricanes, and also of those extremely severe and dangerous storms which occasionally move across the great lakes and the Northern Atlantic Coast. The flags are the same as the one now used for the distinctive signal, the pennants being omitted.

Small Craft Warning—A red pennant indicates that moderately strong winds are expected. No night, small craft or hurricane warnings are displayed
